Pass Students Place At Lethbridge Festival

Miss Ralphina Deluca of Coleman, daughter of Mr. and Mrs. Arnaldo Deluca, was one of the piano soloists who entertained at the Climax Concert held in the Southminster United Church in Lethbridge, April 28th. The affair wound up week-long festival when three Pass pianists performed, including Miss Deluca, Louise Costigan of Blairmore, and Miss Moyra Lloyd of Blairmore.

Miss Deluca was the winner of a \$25.00 award for first place in the Sonata Class, 15 years and under, and also won first in the 13 year and under class.

Miss Arlene Krywolt of Coleman took first in Piano 11 years and under, and Moyra Lloyd of Blairmore won second.

Jim Montalbetti of Coleman won first in the 14 and under piano class and Peter Costigan of Blairmore took second, and Peter also won the Canadian Composers 14 year and under class.

Moyra Lloyd of Blairmore also won a \$25.00 award for first prize in the Canadian Composers class, 11 years and under.

In the 8 years and under Louise Costigan of Blairmore took first and Elaine Dobek of Blairmore, won second. Gregg Ferstay of

Blairmore took first in the nine years and under class.

In the ten and under class Frances Lamey won first and Mary Ann Spatuk took second.

In the 15 years and under Valerie Smith of Blairmore took first and in the 17 years and under class Elaine Hereford of Coleman took first. Tess Thornton of Blairmore took second place in the Bach three part invention class and Moyra Lloyd of Blairmore took second in the Bach class, 11 years and under. Louise Costigan of Blairmore also won the CJOCC \$50.00 scholarship and also the Patrick Schild in the Junior Instrumental Class with a mark of 91.

The Climax Concert held Sunday night was broadcast over station CJOCC.

Six Coleman Scouts To Ottawa

The Coleman Lions Club and Scout Group committee met recently when it was announced that a bean supper would be held on Saturday, May 13th in the Coleman Elks hall to raise funds for Scout and Cub activity.

The special menu for the night will include baked beans, salads, brown buns, and pie. The Scouts are selling tickets for the supper. During the meeting it was confirmed that six Coleman Scouts would be attending the Canadian Scout Jamboree to be held in Ottawa in July.

The Coleman Scouts who will attend the affair are Ken Murdoch, Alois Szymanski, Randy Fabro, Jim Montalbetti, Danny Fleming and Bob Liddell. One of the Coleman patrols will also take part in the winter competitions that are going to be held at Waterton Lakes this month. Plans are also being discussed by the Scouts for the one-week camp to be held this coming summer.

The Scouts are planning a bottle drive to be held on Saturday, June 3rd, and all persons having bottles to donate to the Scouts are asked to please have them ready. Persons wishing bottles picked up now can do so by calling 3844.

The resignation of Scoutmaster Mel Dunford was received by the group and will be effective as of September 1st. Mr. Dunford has served as Scoutmaster for the past three years. A replacement to fill this position is needed and interested persons should contact the Group committee as soon as possible.

Brigade To Collect Books

The Coleman Volunteer Fire Brigade will be making a canvass of homes in Coleman in the near future to collect books for Coleman Library, which will open in September.

Residents of Coleman wishing to donate books to the library are requested to look up the books and have them ready for the firemen when they call.

Library Board Is Elected

A special meeting was held in the Coleman school last week for the purpose of electing a slate of officers to head the Coleman Library Board.

The board will comprise: President, Mrs. Roy Upton; secretary, Mell Cornett; treasurer, Rev. De Leeuw.

The Library will be known as the Coleman Community Library and is being sponsored by the Coleman Home and School Assn.

The Library is being set up in the Coleman Miners' Union hall, and it is expected that the Library will be open to the public on September 1st. Books are to be sorted, classified and placed on the shelves during the summer in preparation for opening date.

The Coleman Lions Club have made a substantial donation to the Library Board already and Coleman Elks Lodge have offered to sponsor a bingo night in Coleman to raise funds to get the Library going. The date for the bingo night has not yet been set but it is anticipated that when the affair is held a large crowd will turn out to support this worthy event.

Fire Brigade Kept Busy

Coleman Fire Brigade were called out on two false alarms during the past two weeks — the first being at the Godfrey farm west of Coleman, where a pile of rubbish was being burned by the family.

A passing car turned in the fire alarm.

The second fire was a small grass fire that began in West Coleman, where a resident was burning garbage and the grass caught fire. The fire was put out before the brigade got to the scene.

Fire Chief Henry Zak in a statement to the Press, advised that many local residents are making a practice of following immediately behind the fire truck when the truck is proceeding to a fire. This practice is very dangerous not only for the motorist but for the firemen who ride the side of the truck.

On occasion the truck has to stop suddenly or make sharp turns and cars following immediately on the tail of the truck are creating a hazard.

Onlookers also crowd around the fire hose or park so close to the fire that the fire truck has difficulty in getting to a good location.

Fire Chief Zak has advised that there is a stiff penalty for such offences and unless persons use a little discretion that action will have to be taken to have the law enforced.

C.W.L. Hold Successful Tea

The Catholic Women's League held a very successful spring tea on Saturday, April 29th.

The various prize winners were Grocery hampers, Pauline Lukacik, Julie Ann Gentile, Mike Hukalak. Cake raffle, Eleanor Hvidos, Bellevue.

Tea prize, Mary Anne Ondrus. Lamps, ticket No. 3127, Mrs. John McDonald. Doll, ticket No. 3942, Mrs. J. Moore. sr. Rug, ticket No. 3136, Mrs. A. Koury. Knitting bag, ticket No. 3043, Mrs. Sikora, sr.

John Bielech Takes Over Empire

John Bielech, well known Coleman resident, has during the past few weeks taken over the business of the Empire Hotel.

Mr. Bielech, who formerly operated the Coleman Hotel, has stated that renovations are being made to the rooms in the hotel and that Mrs. Claire Marconi has taken over the Empire Coffee Shop which will be open daily from 6:00 a.m. to 1:00 a.m.

Trailer Court Almost Full

Some 23 trailers are now using the town-operated trailer park near the town ball field in Coleman.

The trailer park is equipped with sewage electricity and water.

Five more lots have been put in readiness this week for five more trailers and it is expected that work will begin shortly to prepare another seven lots for trailers in order that a total of 35 trailers occupy the premises.

Polio Clinic For Men May 12th

The Coleman Lions Club are sponsoring a Polio Shot Clinic to be held in Coleman council chambers on the evening of May 12th from 7:30 p.m. to 9:00 p.m.

Miss Joyce Matheson, Reg.N., of the Chinook Health Unit, will be present to give the shots.

The Clinic is for men only, as according to Lion President John Owen, there appears to be a large number of so-called "chickens" among the men. Mr. Owen stated the clinic was being held for men only so that women would not have the opportunity of seeing men cry or faint.

Males appear to be more reluctant than women at taking the shots.

St. Paul's United Observer 55th Anniversary

St. Paul's United Church, of Coleman celebrated its 55th anniversary April 23 and 24.

For the occasion Dr. Harold W. Frame of Lethbridge was the anniversary speaker at the Sunday services.

On Monday afternoon from 5:00 p.m. to 7:00 p.m., 150 members of the congregation enjoyed a banquet supper in the Church club rooms. Grace at this affair was said by Rev. De Leeuw.

Grands Enjoy Banquet Supper

Approximately 70 persons, friends and guests of the Coleman Grands hockey team, enjoyed a banquet supper in the Elks hall on Saturday evening, April 29, to wind up the hockey season.

Following the banquet supper an evening of dancing was enjoyed.

The Grands team took the title in the league this year in the Alberta - B. C. - Montana intermediate B hockey league for having the most points of the season.

The Great Falls Americans won the playoffs by downing Coleman Grands.

Party Held In Honor Of Mrs. Ethel Kostelnik

On Thursday evening, May 4th, fifteen friends from Coleman journeyed to Bellevue to the home of Mrs. T. Price (mother of Mrs. Kostelnik) where a surprise party was held in her honor.

A social evening was held and lunch was served. Mrs. Ann Vasek on behalf of the friends assembled presented Mrs. Kostelnik with a gift and good wishes for an enjoyable holiday to be spent at the Pacific Coast.

Mrs. Kostelnik will accompany her parents, Mr. and Mrs. T. Price to Vancouver, where they will spend three or four months holiday.

Two Injured In Accident

Two Pass men, Oscar Galicia of Blairmore, and Bill Troz, of Coleman, were taken to the Fort Macleod Municipal Hospital last month to be treated for injuries they sustained when the jeep truck they were proceeding east in, rolled over near Macleod.

Mr. Galicia sustained a fractured spine and will be in Macleod hospital until the end of May. He is reported to be making very good progress.

Mr. Troz sustained two broken clavicles (collar bones). He was released from hospital and is now recuperating at his home in Coleman.

Pensioners Enjoy Play

The Old Age Pensioners' Association held its regular meeting last week when the Pensioners were well entertained by Mrs. C. Roughed's grade nine dramatics class.

The skit presented a one-act comedy entitled "Rest Room" — which provided for many laughs. During the meeting it was announced that Jack Ferguson, one of the branch members had taken up residence in the Crestview Lodge at Pincher Creek during the past month.

Miss Louise Aboussafy Takes Special Training

Miss Louise Aboussafy of Calgary, the daughter of Mayor and Mrs. Frank Aboussafy of Coleman, was selected last fall by the Provincial Government and Canadian Cancer Society, who sponsored the trip, to take a four-months' course in Cytology at the University of California Medical Centre in San Francisco.

The course in Cytology embraces the study of cells which are shed off continuously from living tissue. Cytology has proven of greatest value in diagnosis of cancer of female organs as well as detecting malignancy at other sites of the body. These may include investigation of specimens of sputum, body cavity fluids, gastric and bladder secretions.

Some of the advantages of the cytological method is that cancer can be detected even when growth is too small to be seen or felt on examination by a physician — often months or perhaps years, before the patient appreciates any abnormality.

Unfortunately, at present, there are not enough cytotechnicians to make it possible to do mass screenings of smears taken from women.

Miss Aboussafy is one of the very

few Cytologists in Western Canada. She was born in Wetaskiwin, and took her public and high school in Coleman, after which she entered the University of Alberta in Edmonton, graduating in 1949 with her B.Sci.

Miss Aboussafy then went to work for the Provincial Laboratory of Public Health of the University of Alberta, Southern branch, in Calgary, where she is still employed.

It has been disclosed that a special department is to be opened at the Calgary Laboratory for work in Cytology in the near future.

After completing her post-graduate course in Cytology, Miss Aboussafy spent a three-week vacation visiting in Honolulu and other Hawaiian centres before returning to her duties.

Coleman Oldtimers Leave To Reside At Coast

Mr. and Mrs. William White, well known Coleman residents, left last week to visit with their son and daughter-in-law, Cpl. and Mrs. Arthur White at Burnaby, B. C.

They will purchase a home at the coast in the near future where they will retire.

They have resided in Coleman for the past 39 years, coming here in September of 1922. Mr. White, during this time, served the town very faithfully in various capacities. He was eight years as Union secretary of the Coleman Local, U.M.W.A. for 12 years on the hospital board, five of which he was chairman; and for five years served on the town council and was chairman of the War Finance committee during the Second World War.

Mr. White was a veteran of the First World War, serving with a Nova Scotia battalion and was in France for three and a half years. The many friends of Mr. and Mrs. White wish them many happy years in their new home and surroundings.

Forewell Party Held For Mrs. E. Bowman

On Friday evening, April 28th, members of Minerva Chapter, O.E.S., gathered at the home of Mrs. J. Colwell for a farewell party in honor of Mrs. E. Bowman, who will be leaving shortly to reside in Calgary.

Bridge was the entertainment of the evening, honors going to, first, Mrs. E. Bowman; 2nd, Mrs. K. Bouthillier.

Refreshments were served by Mrs. Colwell, the hostess, assisted by the refreshment committee.

The honored guest, Mrs. Bowman, was presented with a gift from the members of the Minerva Chapter, for which she very ably expressed her thanks.

New Bridge In East Coleman

Department of Highways crews are busily engaged in the East Coleman district this week where work has begun on the building of a new highway traffic bridge over the Crows Nest River to serve this area.

The new structure is being built two streets east of the present bridge and will replace the narrow structure now being used.

The old bridge — a one-way traffic bridge — is narrow and the approach from the south side of the river rounds a curve making the crossing a hazardous one. The new bridge will have wide straight approaches from both sides and will be more centrally located in the district than the present bridge, which is at the far west end of this area of Coleman known as East Coleman or Bushtown.

"A Hunting We Will Go"

Mr. Harvey Bouthillier recently related to us some interesting stories of a big game hunt last winter deep in the heart of "The Rockies" in the British Columbia area.

Harvey's part in the expedition was chef or chief cook, bottle washer and camp butler, for a crowd who counted their money in the million dollar mark. On one occasion Harvey was rushed for a hot meal, he served clam chowder soup, made in a coffee percolator, this being the handiest utensil to heat it with, for the cold, hungry hunters. Nevertheless due to the fact there were a few stray coffee grounds floating around, they all declared it was the most delicious clam chowder soup they had ever tasted.

Another tasty delicacy was fresh mountain trout fried in pancake batter — the left over from breakfast which had been a refused offering as Harvey stated the griddle was not quite hot enough to brown the hotcakes and when he served a few medium brown with dough centres one was thrown at him with the complaint you cannot cook for sour apples, so he placed the batter in safe keeping determined to serve it in some form or other — it filled the bill on the golden brown trout, and gained great praise for his ability in cooking mountain trout.

Harvey is expecting to be called out soon when the same party go on a hunt for grizzly bear, so no doubt he will bring back new recipes for cooking bear steaks.

Mrs. E. Lonsbury To Reside At Edmonton

Mrs. Elizabeth Lonsbury, an old timer of Coleman, having resided here for the past 50 years, has sold her home on Second Street to Mr. Aldo Montalbetti.

Due to poor health she is residing with son and daughter-in-law, Mr. and Mrs. William Lonsbury in Edmonton.

During the years that she resided here the home of Mrs. and the late Mr. Jerry Lonsbury will always be remembered for the hospitality and kindness shown to friends and newcomers.

We all wish Mrs. Lonsbury happiness and contentment while in Edmonton.

New Assistant Police For Coleman

John Cauldwell of the Cardston district has been appointed as a town constable to assist Chief of Police Ed Corson of Coleman.

Mr. Cauldwell is married and has two children. He and his family have already taken up residence in Coleman where Mr. Cauldwell commenced his new duties May 8th.

The Sodalists of the Coleman Holy Ghost Church were hosts to the Sodalists of Blairmore and Bellevue on Saturday, May 6th.

The gathering was in the form of a rally and the program got underway with a Mass at 10 a.m.

For this occasion a special speaker, Father J. Toole of Calgary, was present to address the girls.

A Communion Breakfast was served in the Catholic hall followed by a number of special activities planned for the day which included a panel discussion by a group from Calgary. The rally closed after Benediction was held at 4:30 p.m.

Two Jailed For Theft

Two one-year prison terms were meted out by Magistrate F. S. Radford of Blairmore, in police court held in Coleman Monday. Lawrence Olisoff of Nelson B.C., a recent arrival in Coleman, charged with breaking and entering and committing an indictable offence on April 23rd between the hours of 1 a.m. and 2 a.m., pleaded guilty to the charge and was subsequently sentenced to one year in the Lethbridge Provincial Jail.

Frank Bohmer of Hillcrest, also a construction worker, was charged with conspiring with Olisoff, and after pleading guilty, was also sentenced to one year in the Lethbridge jail.

The trial had been remanded from last week on the request of the accused who wished to get legal assistance.

The trial arose as the result of the two men breaking into the Hotel Coleman by means of breaking a back window and entering the premises on April 23rd between the hours of 1 a.m. and 2 a.m.

A sum of approximately \$200.00 cash was stolen by the men, who were later apprehended by Chief Corson. The sum of \$75.00 was recovered from Olisoff while Bohmer stated that he had become frightened and threw his share away near Riverbottom enroute to Hillcrest.

Chief Corson conducted the prosecution, while Mr. Yanosik of Lethbridge, acted for Bohmer.

Elks Bingo Winners Named

The Coleman Elks held its regular bingo night last week and although the \$200 cash jackpot prize was not won in a 53 number blackout, the consolation prize was split among Delina Pow, Edna Campbell of Coleman, and Joe Sygutek of Blairmore.

Winners of other prizes at the affair were:

The next bingo night is to be held on May 12th when a jackpot prize of \$200.00 will be offered for the first blackout in 54 numbers.

Attend Three-day Assembly Of Jehovah's Witnesses

Local and district residents of Coleman were in Taber over the past week-end to attend the three-day assembly of Jehovah's Witnesses, held at the Taber Community Centre.

Sponsored by the Watch Tower Bible and Tract Society, the week-end meetings consisted of a Bible short-course for the purpose of improving Bible study techniques and ministerial activities in the Southern Alberta area. Such refresher courses are held at regular intervals during the year in over 175 different lands where Jehovah's Witnesses have congregations.

Highlighting Saturday's sessions was a special baptismal and ordination for new ministers who will serve in the Southern Alberta dis-

trict.

Climaxing the week-end's activity D. Mills, guest speaker from the Society's branch office in Toronto, discussed the subject "The Twentieth Century in Bible Prophecy."

Speaking to a capacity audience Sunday afternoon, Mr. Mills pointed out that "when one examines world events with the lens of a spiritual eye to see how Bible prophecies are being fulfilled, many have and will yet exclaim, unbelievable! Yet the fact prophecies have been fulfilled so accurately shows it is not only believable but true."

Mr. Mills said "Man's destiny depends upon understanding Bible prophecy."

Red Cross Drive Still Short

The current Red Cross campaign is still short some 20 per cent of reaching the \$524,300 provincial objective. Returns to date amount to \$417,404, representing 79.6 per cent of the Alberta allotment.

A total of \$91,233 has been received in the Spring appeal launched in March while returns of \$326,131 represent receipts from united appeals conducted in the fall of 1960 in co-operation with Community Chest and other United Funds.

Campaign reports have slowed down in recent weeks and chairmen throughout the province are urged to submit their reports as soon as possible to provincial Red Cross Headquarters.

May Campaign For Car Check

Making sure every highway vehicle is in safe condition is the target of the Canadian Highway Safety Council's month-long campaign each May.

This year, the drive's slogan will be "Safety Is In Your Hands", stressing the responsibility of the individual motorist in ensuring the safety of his vehicle.

The vehicle-check campaign, the special promotion of the Council's Vehicle Safety Committee, will open across Canada at midnight, Sunday, April 30th.

Supporting it will be the entire automotive, oil and tire industry. Sponsored nationally by CSHC, the May campaign will have the customary active participation of provincial governments and safety groups, the police and many public service organizations.

Proposed Sewerage System For Coleman

For some time now the question of installing a sewerage system in the town has been on the minds of your council.

Originally it had been planned to install a system for the commercial district but, since that time, large numbers of people became interested in a system to serve the whole town. Although the council favored a proposal to serve the town as a whole, it was not yet ready to recommend such a proposal to the people until expert advice had been obtained.

In order to get this advice and be in a position to answer some of the questions asked by the people who were interested, the council decided to acquire the services of a competent engineering firm to make a study of the matter and report its findings to your council. We wish now to present a summary of this report to you, the ratepayers. It is you who will decide whether or not the council will proceed any further with the proposed sewerage system for the town.

The following matters are excerpts from the engineers' report:

General Conditions:

At the present time, the private disposal systems of the town, in many cases do not exist and in a great number of other cases do not conform to the health regulations as these places have only a cesspool do not meet health regulation requirements which specify that a cesspool must be at least 50 feet from any dwelling. Other locations have poor drainage facilities, either from high underground water levels or lack of suitable sub-soil drainage.

Building Connections:

The system proposed is designed to pick up disposal waste at the basement floor level, although there may be a few isolated cases where the pickup may have to be from the main floor only.

As the costs of the system only cover street installation, the cost of the connection from the property line to the property system will be the responsibility of the owner.

Total Costs:

The total cost of the project is as follows:	
Sewerage collections (feeder lines)	\$160,000.00
Trunk line and disposal	100,000.00
Total	\$260,000.00

This is divided in the following way:

Local Improvements (Frontage)	\$ 95,000.00
General (Town)	165,000.00

Annual Costs:

The cost of this system, each year, is estimated at \$22,317.44, made up as follows:

Repayment of Debentures and interest	\$ 18,717.44
Operational Costs	3,600.00
To meet these costs and also have a small balance in case of emergency, revenue of \$23,631.85 is estimated and made up as follows:	
Frontage Tax	\$ 7,431.85
Service charges	16,200.00

As the taxpayer's share of the annual payments, a frontage tax is proposed at the rate of 34¢ per foot frontage. This would mean that a person with a 30 foot lot would pay an annual frontage tax of \$10.20. A person with a 25 foot lot would pay \$8.50 per year, and a person with a 50 foot lot would pay \$17.00 per year, all for a period of 25 years.

Although a person is paying a tax for the sewerage for a period of 25 years, this could be offset by an increase in the value of the lot.

Service Charges:

The service charges are the monthly charges for the use of the sewerage facilities just as a service charge is made for the use of water. These charges will be set up by the town by by-law, which must be approved by the Board of Public Utility Commissioners and presumably will be a little similar to the water charge, although the possible residential rate will be a flat rate throughout the town.

Summing Up:

The best means of showing the effect of the costs of the proposed sewerage system on the ratepayer is by taking a few examples:

Resident with 30 foot frontage per month:	frontage 34¢, service \$2.50; ttl. \$3.35
Resident with 25 foot frontage per month:	frontage 71¢, service \$2.50; ttl. \$3.21
Resident with 50 foot frontage per month:	frontage \$1.42, service \$2.50; ttl. \$3.92

This would be for 25 years, after which the frontage charge is dropped, but the service charge would continue.

Spring Wedding Ceremony

St. Cyril's Catholic Church in Bellevue which was decorated with chrysanthemums and calla lilies, provided the setting for a spring wedding when Miss Vera Scodellaro, daughter of Mrs. Elizabeth Scodellaro and the late Primo Scodellaro, became the bride of John Taron, son of Mr. and Mrs. Andres Taron of Coleman.

The double ring ceremony was performed by the Rev. S. Henke, and organist was Marie Youngberg.

The bride, given in marriage by her brother Jerry, wore a floor-length gown of French lace over satin which formed the front of the skirt with eight tiers of pleated silk organza over satin in the back which fell slightly en train. Lily point sleeves and sabrina neckline with a fitted bodice were featured in the gown. A chapel-length veil of illusion net misting from a sequin and pearl shirred illusion net which was fitted on the top. She carried a bouquet of white carnations and red roses set off with white satin bows and streamers.

Maid of honor was Miss Anne Grosso of Lethbridge, cousin of the bride, while junior bridesmaid was Miss Maxine Whitecroft of Bellevue, another cousin.

Both attendants were cocktail length frocks fashioned with bouffant skirts of coral silk organza over nylon taffeta. They wore matching piece caps in a star shape covered with sequins and pearls and carried bouquets of white carnations inset with red roses and tied with coral satin ribbon streamers.

Miss Christina Brazzoni of Bellevue, cousin of the bride, was flower girl and wore a yellow nylon chiffon over nylon taffeta frock with a bouffant skirt tucked up at the hemline and held in place by huge bows of yellow nylon taffeta. She wore a matching headpiece and white accessories and carried a yellow basket of white and pink carnations centered with red rose buds tied with yellow bows and streamers.

Joe Taron acted as best man and Tommy Plante was usher.

A reception was held in the Catholic hall during the afternoon when Rev. Henke acted as master of ceremonies and proposed a toast to the bride.

For her honeymoon trip to the U.S.A. and B. C. points, the bride wore a three piece green outfit with matching accessories and pink rose bud corsage.

The couple will reside here where the groom is employed.

Triplets Born In Coleman

Triplets were born in Coleman this month to a purchased Saanen goat, owned by Mrs. William McCulloch. The three kids and mother are all doing fine.

According to Mrs. McCulloch the goat has had twins on five different occasions but this time she hit the jackpot and gave birth to two pure white males and one brownish colored female, which is the smallest of the family.

Mrs. McCulloch has a herd of five goats including the triplets, and the milk from the goats is used for the family table.

Officials Visit RCEME(M)

The 31st Technical Squadron—RCEME(M), had its annual staff inspection and visit from the Alberta area staff officers the week-end of April 29th.

The officers visiting the unit were Lt.-Col. J. K. Mahony VC, (AA&QM) Alberta area, Major J. S. Walde (GSO 2 Alberta area)

and Captain Daniels (GSO 2 Alberta area).

Captain E. R. Wragg, Western Command inspector of bands, also visited and inspected the 31st Technical Squadron RCEME(M) band on the same week-end. This occasion will probably mark Captain Wragg's last official visit of the band as he is to be retired in August.

Following the unit inspection, the band were hosts at a small party

when all bandmen expressed their regrets at losing Captain Wragg as their inspecting officer but expressed best wishes to him on his retirement.

Alberta has more than 9,000 oil wells and 2,000 gas wells capable of production.

Petroleum refinery production capacity in Alberta last year was 800,000 barrels per day.
